The Three Wills Of God

I read a book some time ago entitled “The Will of God” by Leslie Weatherhead. While I did not agree with everything he wrote, his view on God’s Will has stayed with me over time. It came up again in my preparation for the next sermon on Revelation. Weatherhead looks at God’s will through three different lenses: Intentional, Permissive and Ultimate.

God’s intentional will can be seen in the Garden of Eden. There was peace and harmony. There was life and no death. There was a personal relationship between God and God’s human creations. Adam and Eve used to walk and fellowship in the garden with God. God provided everything that humanity needed to thrive physically, emotionally, intellectually and spiritually. When Adam and Eve ate the fruit they were told not to eat, they rejected God’s intentional will for their own. Since humanity had rejected God’s intentional will, God now had to interact with them differently. Weatherhead calls this God’s “Permissive Will”. It is not what God wanted but humanity had to be permitted to make their own choices. So when a teenager decides to drink and drive and kills someone, that is not God’s intentional will but it has become God’s permissive will. God had to let the teenager make the fateful choice or the teenager would no longer have free will.

How many times have we made decisions that God had to permit? As a Christian do you want to walk in God’s permissive will or intentional will? One thing Jesus did was model what intentional will looks like. God intended that we love the Creator and each other. (Love God with all you heart, soul, mind and strength and love your neighbor as yourself.) When we put God ahead of our personal desires we are loving God. When we put the needs of our neighbor before our own needs, we are loving our neighbor. It is simple and yet impossible.

With our free will comes self-centeredness. The world is all about me. Have you ever walked into a room and the group you were going to join suddenly stopped talking? What is your first thought? They were talking about me! It took me a long time to learn that they weren’t concerned about me. They were concerned about themselves. If we are going to love the way God loves, our nature would have to change. That is what God offers everyone through the unselfish gift of Jesus’ life.

The third will is the Ultimate Will. We can read the last two chapters of the Bible to see that. The new heaven and new earth, I believe, will be just like the Garden of Eden with a lot more people. God’s ultimate will is that we spend an eternity with him. He is constantly moving us to walk in his intentional will instead of his permissive will. Ultimately, in the new heaven and earth, there will be no more dying, no aches and pains, we will have access to God anytime and all the sorrows of this world will be wiped away. That is ultimately what is going to happen.

There is a lot of destruction in the book of Revelation that scares people. That is not God’s intentional or ultimate will but a response to the choices humanity has made. God is closing shop on this world so he can open a perfect place for us to live with him. Closing shop is not easy or neat. There is a lot of banging and tearing and ripping that goes on. But unless this world comes to an end, there will be no place for the new heaven and earth. Think of it this way, we are living through renovation phase.

Super Bowl Party----Feb.7
Will start at 5:00 pm in the gym
The Monday Night Bible Study will resume on 11 January at 7:00 p.m. Studies on the first two nights in 2016 will use a DVD titled

“The Star of Bethlehem.”

This DVD has been described as . . . “fascinating and meticulously researched,” and “wide ranging and insightful scholarship.” It involves astronomical examination of the stars during the period when Christ was born. A very good and thought provoking video.

Although our Bible study uses DVD’s to inform participants and stimulate discussion, the playback of topic material can be stopped by anyone attending. We plan for the study sessions to last one hour. Bottom line is that we maintain flexibility as to the session ending time but the latest we have run in the past was about 8:15 p.m.

During our first two sessions in 2016 we will vote on topics to follow “The Star of Bethlehem.” Choices include but are not limited to those listed below. MANY MORE TITLES ARE AVAILABLE

“Ancient Roads from Christ to Constantine” presents the first three hundred years of Christian faith. Six hours of material “Birth of a Faith,” “The Great Missionary,” “Age of the Apostles,” “From Apocalypse to Heresies,” “Pagans and the Cult of Martyrs,” and “Constantine.”

“The Lost Tomb of Jesus” 105 minutes by Simca Jacobovici. Controversial topic.

Old Testament “Bible Battles.” 100 minutes. “. . . explores the biblical world from a military perspective from the time of Abraham to David’s ascension to the throne.”

“Bible Stories for the Whole Family.” Will take between 12 and 14 sessions to cover all material or we may choose individual topics. Disks include “Esther and the King,” “Joseph and His Brethren,” “The Power of the Resurrection,” “The Great Commandment,” “Hill Number One,” “I Beheld His Glory,” “Martin Luther,”

For questions: Call Ken Lingle, (210) 655-8539. Oh yes, we meet in the Conference Room, Room 105. Hope to see you there.
February 5th

6:30 – 9:30 PM

Ages 12 months to 5th grade

Volunteers are always needed for our monthly Parent’s Night Out Ministry Scheduled on the first Friday night of each month. Getting involved is such a blessing to the children. The children arrive at 6:30 pm for play, dinner, story, crafts, and games and stay till 9:30 pm. We are using our Power Xpress Sunday School curriculum as a basis for planning each month’s activities. It’s a blessing to reach children with the Good News of Jesus Christ. This outreach is a living expression of the vitality of this church.

MOVING FORWARD... ¡ADELANTE EN 2016!!

OUTREACH: With grateful hearts we give thanks to God & to the loving support from the St. Matthew’s congregation for our first two outreach events in Nov./Dec. Nearly 200 guests attended the Hispanic family Christmas outreach, not counting volunteers. These events served as confirmation that St. Matthew's is seated right in the middle of a field ripe for harvest. To continue the momentum of outreach, the Agua Viva team is planning a family Valentine's Event in February which will include live music and a special message from Veronica.

ESL: Our English as a Second Language classes continue to serve the community and bring new people through the doors of St. Matts. 2016 will see some very positive improvement as we adopt a new curriculum, and we are excited that Mike Langford has accepted the mantle of Program Coordinator. His leadership will help assure that ESL remains a vibrant ministry. Classes have moved to Tuesdays with both morning and evening offerings.

SPANISH SERVICE: Plans are underway to finally launch the Sunday Spanish service in March. Details are still being worked out. Please be in prayer as this service gets underway in earnest.

Thanks to the many hands and feet who helped prepare for the Christmas outreach!
February being the month of love, St. Matthew’s fills each and every day with tender love and care. We strive to share the love and care Christ has given us to all that we meet. God is shining down on us and showing us how much he loves us, our current enrollment is 77 children. We are grateful for the blessings to be able to continue to grow and spread the word of God to families near and far. We will also be having our annual Rodeo Day on Friday February 5th. Its rodeo time again! Our rodeo day will be a big hit with our little ones. Be sure to come dressed in your finest Texas, boots, hats, and jeans! We can use all the help that we can receive, if you are willing to lend a helping hand please see Nikki or Anne to be sure your background check is completed and on file. There are so many exciting events and activities to come this February. Our Valentine’s Day celebrations will be on Friday February 12th. On February 19th we will be hosting our Family BBQ, I know it’s chilly we’ll be inside our rooms. The Literacy Van will join us from 6:00-8:00 p.m. be sure to take the children to the van it’s a great time to just sit and read with your child and for taking the time to do so, you’ll receive a free book. This is open to the public as well not just Day School families. With the New Year started, I’m sure you’re all eager to know the progress on the playground. At this time we are planning the next phase of the project, which is taking away of old playground items and adding new items. The Day School would like to thank the St. Matthew’s UMC Church all for your continued support, prayers, and dedication to the Day School ministry. We are especially thankful for the new fresh start of 2016; we cannot express how grateful we are to have such an amazing ministry to work for. Over the last few weeks there has been a lot of work done in the Day School and we would like to say THANK YOU to Mr. Larry Etter and Mr. Joe Garvin for all the hard work and talent that they put into making sure that we are always in compliance, and now that the after schoolers don’t have to leave the room to go to the bathroom, they are very grateful for all the hard work. We would also like to thank the UMW for their wonderful donation in help of supporting the Day School thank you so much. Last Month we had such a blast on our winter play day, the children enjoyed having a snowball fight and having a race to see who can put their winter clothes on.
The 2016 calendar is up on the wall in the narthex. Please select a date, enter your name and if in memory of / in honor of a loved one. The cost is $35.00 each Sunday. You may place your check in the offering plate. After the 11:00 service is over, you may pick up your arrangement. Thank you for sharing God’s Blessing of your flowers with St. Matthew’s.

The fight against cancer goes on. There is no one I know who can say they don’t have a friend or relative that has battled this terrible disease. We here at St. Matthew’s have found a way to help in the fight against cancer. We will be dedicating the proceeds from our Daddy and me Dance (March 13, 2016) and the fight against Multiple Myeloma key chain sales to Dean Pearson & Family, who is currently battling Multiple Myeloma cancer.

Now, your part is easy. All you need to do to help with the fight against cancer is to please donate as generously as you can, God knows our hearts and what we can and cannot to. Please stop by the church office or the Day school office with donations.
THANKS FOLKS!

During WW 11 my father was in the American Legion and my brother and I were in the Sons of the American Legion. These were exciting years, but not nearly as exciting as this past Thanksgiving to Christmas, when I experienced Legionnaires Disease, NOT a good experience! I want to thank you folks for your concern and particularly for the warm welcome back on the first Sunday of the New Year. This may sound strange, but I also want to thank you for not overwhelming us with food and visits because I have had a very limited appetite and low energy since Thanksgiving. Things are looking much better now, so look out ….. The old me is back!
